Professional Summary

Detail-oriented professional experienced in inventory tracking, customer order processing, recordkeeping, and research reporting. Uses Microsoft Word, Excel, and company systems to communicate information and coordinate orders. Brings customer service experience, organized work habits, and attention to procedures to a clerical office support role.

Skills

Data entry and recordkeeping • Microsoft Word and Excel • Documentation and reporting • Customer order tracking • Inventory and distributor ordering • Customer service • Research and data analysis

Experience

Wine Consultant | Binny's Beverage Depot

October 2023 – Present

- Tracked and maintained inventory and placed orders with distributors to replenish stock.
- Used Microsoft Word and Excel to communicate information to coworkers and customers.
- Entered, tracked, and fulfilled customer orders using the company system.
- Coordinated customer tastings and helped customers select wines suited to their preferences.

Student Pantry Volunteer | NEIU Student Food Pantry

Chicago, IL | February 2023 – May 2023

- Guided students through check-in and sign-up procedures and assisted with food selection and packing.
- Tracked student information and the amount of food distributed to each student.

Research Intern | Metropolitan Chicago Data Science Corp

Chicago, IL | June 2022 – August 2022

- Researched literature and conducted targeted searches to answer specific research questions.
- Analyzed experimental data and prepared reports and summaries explaining results and key findings.
- Created visual summaries of research results and incorporated them into clear, organized field reports for staff review and reference.

Bartender | Uncle Julios

Chicago, IL | July 2018 – March 2020

- Processed cash and point-of-sale transactions accurately and provided correct change.
- Managed bar inventory and customer relationships while following regulatory requirements.

Bartender | Earls Kitchen + Bar

Chicago, IL | October 2015 – June 2018

- Provided customer service and processed cash and point-of-sale transactions.
- Tracked inventory, restocked supplies, and prepared ingredients for service.
